Additional information or special instructions:

**Payment Method** DW will call for payment information. We accept VISA, MasterCard, Discover, and PayPal.

**Turn-Around Time** We understand the fuel injectors we are servicing for you may have come from the daily driver you count on for commuting or from the race car you need prepared for next week's event; therefore, we work fast to get you back up and running as quickly as possible. Please allow 5 business days for the completion of your service from the date it is received to the date it is shipped. If you are really in a tight spot, we also offer express shipping options to further minimize your down time.
